

We are asking alumni and visitors not to come inside Brentwood until further notice due to COVID-19 being identified in a few men on program. We expect to be in lockdown for a minimum of two weeks.

The following are back on hold until further notice:

- Saturday graduations
- Sunday church services
- Alumni weekend visitations
- Women's potluck originally scheduled for May 11 is cancelled and will be rescheduled.

... the yard still needs help! The clean up will still take place.

Accessibility Matters

In order to provide an inclusive and accessible space, the current Administration building is going to become accessible meeting space for meetings such as Women's Support Groups, Parent Support Groups, Board of Director meetings, staff training and education. Grants to assist with costs are being applied for. Future plans for the Administration building space also include Transitional Housing Units for Women.

National Volunteer Week 2022

**THANK YOU
ALUMNI & VOLUNTEERS**

Dan has been a Brentwood volunteer for almost four months and eagerly takes on every assignment. You will often find Dan covering the Duty Desk, running the Food Bank or helping to screen Alumni and visitors as they enter the building. Dan is especially passionate about our Food Bank and helping serve a community of approximately 300 people a month. Volunteering for Dan is about giving back to an organization that he believes saved his life. Dan enjoys spending time with clients and Alumni, and he is always willing to listen to a person's story; to help in anyway he can. Thank you Dan for everything you do and for living the Brentwood vision each day.

THANK YOU

Linda has been volunteering at Brentwood for 38 years. To say that Linda has done it all is an understatement. She puts empathy into action every day as a volunteer, Alumni and past Board member. Linda has held numerous volunteer positions over the years and has been instrumental in establishing our women's program. The volunteer experience at Brentwood is also a personal one, as Linda met her husband here and was married by Father Paul in 1995. Linda credits volunteering as giving her "my life". Not only did Linda get married, but she also has a family that she's extremely proud of, including two sons, two additional two sons from marriage, a daughter-in-law and seven grandchildren. Linda also views Brentwood as her family and the experience giving back has given her love, encouragement and guidance. Linda enjoys giving back, passing on what she's learned from our program and helping give hope to others in despair. Thank you Linda for everything you do.

be kind

Jenn is a volunteer who is using her skills in healthcare to help Brentwood. She has been helping with our Covid screening and teaching our clients and alumni how to use rapid test kits. When volunteering, she also divides her time taking calls on our Switchboard, working in our Food Bank and helping on the Women's Duty Desk. Jenn credits Brentwood with helping change her life, as she works through programs, develops healthy relationships and moves towards regaining employment in healthcare. Jenn views volunteering as an opportunity to create meaning, purpose and routine in her daily life. She also recognizes that she is building skills, experience, self-worth and confidence. Working as a volunteer helps her feel part of society and she is thankful for the trust and faith others have put in her. Overall, Jenn feels good about giving back to Brentwood and her volunteer experience has given her many opportunities, the most important of which is helping others.
